

HANSA

EU Packaging and Packaging Waste Compliance Declaration

Directive 94/62/EC

The Oras Group (represented by Brands Oras, HANSA, Gustavsberg and Vatette) declares, that when leaving our factory, all our products meet the requirements of the European Parliament and Council **Directive 94/62/EC** of 20 December 1994 on packaging and packaging waste last amended by **Directive 2018/852**.

It includes declaration concerning presence of heavy metals (CR 13695-1) or toxic/hazardous materials (CR 13695-2) and meeting the requirements of art. 11/3:

1. The sum of concentration's levels of lead, cadmium, mercury and hexavalent chromium does not reach the 100 ppm (CR 13695-1).
2. Packaging does not present toxic or hazardous chemical substances or materials (CR 13695-2).

Concerning the requirements of 94/62/EC we also confirm that our:

1. Packaging can be recycled concerning EN 13430
2. Packaging can be energetically treated concerning EN 13431

These confirmations also mean, that our responsibilities respectively our packaging meets the requirements of the EN 13427.
