Oras Stela, single-lever washbasin faucets

Product description

Single-lever faucets in brass (EN 817) with or without Biddetta handshower.

The mixers are equipped with type approved flexible connecting hoses (F).

Intended use

Single-lever faucets, for hot and cold tap water, intended to be used in washbasins.

Scope

Models:

4810F, 4805F, 4801F, 4802F, 4812F, 4806F

Approval

The products meet the requirements of Chapter 8, Section 4, of the "Planning and Building Act" (PBA) regarding the technical characteristics of construction works, protection regarding hygiene, health and the environment, plan and building regulations, Planning and Building Ordinance (PBO) Chapter 4, Sections 12 and 13 and provided that what is stated in this approval is followed.

The products are approved according to the following section(s) of "Boverkets Building Regulations" (BBR 29)¹⁾:

Construction products with assessed properties	1:4
Tap water installations	6:62 first sentence and paragraph 2
Tap water flow	6:623 first sentence
Backflow	6:624
Design	6:625 paragraph 1 and 4

¹⁾ BBR 29 may be used under the conditions specified in BBR 31.

Place of manufacture:

Oras Sp. z.o.o. 46-300 Olesno, Polen.

Control

The manufacturer's continuous self-monitoring is combined with surveillance carried out by an independent Inspection Body.

Inspection Body: **Kiwa Certification AB**

Control Agreement: **1168/17 ver.3, 2020-02-13**

Manufacturing control shall be carried out in accordance with the current inspection instructions.

During inspection at the construction site, the building proprietor shall verify the product's identity using the labelling. Furthermore, the building proprietor shall ensure that the correct products have been delivered and that they are installed in accordance with the manufacturer's instructions in the associated documents. It shall also be verified that the product is accompanied by a manufacturer's declaration certifying that the manufacturing has been carried out in accordance with the documents that formed the basis for this type approval.

The validity of the type approval also requires that manufacturing control is carried out according to approved inspection instructions and that the products annually meet the requirements of this approval. The holder shall annually, no later than December 15, report to Kiwa Certification AB at se.annualreporting@kiwa.com with a copy of the continuous surveillance control, performed by the accredited Inspection Body.

Associated documents
